

Pedigree Chart: Your Ancestral Roadmap

Your pedigree chart lists all of your ancestors, that are in your direct line, working back in time.

A pedigree chart is a diagram showing your family lines at a glance.

When your pedigree chart is completed, lines will lead from your name back through the generations of your ancestors.

Your paternal (father's) side of the family will be on the top half of the chart and your maternal (mother's) side will be on the bottom half of the chart.
